

Stuff We Love: Multitaskers

by Jill Russell

ULTRA LIGHT FACIAL MOISTURIZER SPF25
by **Kimberly Sayer** Finding a moisturizer that also saps excess oil and blocks UV rays isn't easy. This delicate lotion does it all with the help of pure Ugandan shea butter and lemon oil. \$32, kimberlysayer.com

PUCKER UP COCONUT BODY SCRUB by **Garden Girl** A dessert-like, lime- and coconut-infused treat, this skin smoother exfoliates with sugar and moisturizes with apricot kernel and jojoba seed oils. \$22, gardengirlskincare.com

Simplify your morning routine and save counter space with these natural, multipurpose products

TRIPLE CREAM EYE DEFINER by **Sukicolor** A pure alternative to conventional powders, this buttery eye color works as a shadow, liner, or brow definer. Choose from seven lush hues, each with evening primrose and organic sunflower seed oils to soothe and hydrate lids. \$41.95, sukicolor.com

BATH & BODY WASH
by **The Bubble Room** Whether used as body wash or bubble bath, this naturally fragrant, paraben- and sulfate-free formula calms skin with lavender and chamomile and renews with organic alpha-hydroxy acids. \$17, thebubbleroom.com

PURE-CASTILE LIQUID SOAP
by **Dr. Bronner's Magic Soaps** An organic do-it-all classic, it earns its mystical moniker from 18 purported uses. Try it as a cleanser, shampoo, or even toothpaste. \$5.99, drbronner.com

ULTIMATE 3-IN-1 BODY WASH by **Perfect Organics** It's the ultimate shower time-saver. A few drops of this aromatic blend of organic oils and ingredients provide enough lather for you to cleanse your entire body—and shave your legs, too. Also triples as a bath soak. \$13.99, perfectorganics.com
